 - If you are picking-up from the farm or from a host:
 - Please pick up your CSA box during pick up hours. Farmers and hosts will only have the boxes ready at the time given and will not stay late.
 - We will not coordinate after hours pick up. If you call one day ahead of time we will do the best we can to accommodate you.
 - Shares will not be ready until pick up time.
 - You must bring your empty bin and freezer packs in order to pick up the new share. If you do not have the bin and/or freezer packs they must be paid for at the time of pick-up or we cannot give you that week's share. If you send someone in your place to pick-up your share make sure they have the empty bin and freezer packs.

 - Please make the appropriate arrangements with The Veggie Patch for delivery specifications so we know where to leave your box and pick up the empty box.
 - You must set your empty bin and freezer packs outside, if you're not home in order for our driver to leave your new share. If you do not have the bin and/or freezer packs, they must be paid for at the time of delivery or we cannot give you that week's share. You may leave a check or pay through PayPal or the farm's website prior to delivery.
- We cannot double up on missed shares. Try to get someone to pick up for you, if you cannot make it.
- A replacement bin costs \$10.00 and must be paid before we can give you the new bin of veggies.
