

Receiving your Share

What to Bring:

For the first time picking up your veggies, you do not need to bring anything. When you arrive to the farm, you will pick up a blue box full of veggies to go home from the farm stand.

For your first delivery, we will leave a blue box on the door step, or wherever you have indicated you want your box left.

For all other weeks, please bring the empty tub with the freezer packs inside to the farm or leave outside for our driver. You will receive a new tub with the current week's share in exchange of the empty tub each week.

We will charge \$10.00 (ten dollars) for lost tubs, as we have only allotted two (2) per member.

Time and location for pick-up or delivery:

For picking up at the farm, you should arrive anytime between 4:00pm -5:00 pm on Tuesday afternoons at the farm stand. The Veggie Patch at Bouchard Farms is located at 594 Nunn Road, Commerce, GA 30529. Your CSA boxes will be inside the white farm house on the right before the greenhouses.

For deliveries, your share will be delivered around the same time every Tuesday. If you will not be at home at time of delivery, make sure the empty box is outside so we can pick it up. If you have special delivery requests (such as location to leave the box), please let us know ahead of time.

What to do if you are unable to receive your weekly share:

If you will be unavailable to receive your weekly share, then you may ask a friend or neighbor to pick it up for you. Please notify the farm if you have someone else receiving your weekly share.

Unfortunately, we cannot double up on a week's share if you are not able to pick up your box. Because you are picking up your share of that week's crop, we do not reimburse for that week's missed pick up.

A CSA box of organic veggies makes a great gift, so if you plan to be out of town or cannot make it, give it as a gift to someone you know and have them pick it up. Just make sure to get the box and freezer packs back, so you can return those to the farm.
